Suitable for IBCLCs who are recertifying to consolidate their experience.

Also suitable for first-time candidates to review their knowledge.

Structured handouts for easier review, discussion of conflicting information, exam practice questions, networking for future support.

Workshop focuses on exam areas of difficulty and contentious issues with pointers to review other topics on your own.

Workshop outline:

Exam skills - how to choose an answer when you have no idea

Find out why an answer is nearly right but not right

Photo practice with dozens of pictures and questions

Research questions - really aren't that hard

Legal and ethical issues - what sort of questions are these

Immunology - response to infections, allergies

Biochemistry - presented without big words

Other topics can be included in response to requests

Over twenty years experience in preparing people for IBLCE exam.
